DETAILED ACTION

Note that claim 7 has been amended to include a limitation of claim 17 requiring the presence of two monomers in the claimed copolymer, a repeating unit of formula (I) and a co-monomer T as the elected species.

Claims 4,6 and 7 are objected to as being dependent upon a non-elected claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Now claims 4,6 and 7 are in condition for allowance, then the search is further expanded to non-elected species, 20 other species. However, no prior art has been found. Therefore, claims 4,6 and 7 are allowed.

The composition of group I, and group III, are not allowed to rejoin the allowed claims, for the reasons as stated in the last Office action.

This application is in condition for allowance except for the following formal matters:

Non-elected claims 1-3,5 and 12-14 must be cancelled in order for claims 4,6 and 7 are allowed.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
